Subject: RE: ECCGT: Protective Provisions [PM-AC.FID2697427]

Emma- I can confirm that Pinsent Mason, representing Eggbororugh Power Ltd (EPL) has liaised with Yorkshire Water (the statutory undertaker) regarding protection of water and waste water infrastructure within the area included in the application for a Development consent order. The discussions commenced in April 2017 and included agreement on technical matters regarding protection of water supply infrastructure.

I can confirm that Yorkshire Water is satisfied with the Protective Provisions included in the draft Development Consent Order.

Kind regards.

Stephanie
