Dear Ms Sully,

I write on behalf of the Applicant, Eggborough Power Limited, in respect of Deadline 4 of the Examination into the Eggborough CCGT Project.

Please find enclosed the following documents, which together comprise the Applicant's Deadline 4 submission:

- Document Ref. 1.2 – Application Guide (Rev. 4.0)
- Document Ref. 7.9 – Statement of Common Ground with National Grid Gas Plc & National Grid Electricity Transmission Plc (Rev. 2.0)
- Document Ref. 7.10 – Statement of Common Ground with the Marine Management Organisation (Rev. 3.0)
- Document Ref. 9.8 – Draft Section 106 Agreement with Selby District Council and the Yorkshire Wildlife Trust (Rev. 2.0)
- Document Ref. 9.9 – Compulsory Acquisition Update (Rev. 1.0)
- Document Ref. 9.10 – Applicant's Response to Deadline 3 Submissions (Rev. 1.0)

The Application Guide (Document Ref. 1.2) has been updated for Deadline 4. Table 2.1 details the submission version of the document (the version submitted as part of the Application on 30 May 2017), where relevant, in addition to the current version of the document along with the date that the current version was submitted. The documents that have been updated and the new documents submitted for Deadline 4 are highlighted in yellow for ease of reference.

The Statements of Common Ground ('SoCG') with National Grid Gas Plc & National Grid Electricity Transmission Plc (Document Ref. 7.9) and the Marine Management Organisation (Document Ref. 7.10) are still in draft but have been updated to reflect recent discussions between the Applicant and these parties.

An updated SoCG with the Canal & River Trust ('CRT') has not been submitted, however, the Applicant is continuing to negotiate with the CRT the terms of the Protective Provisions to be included in the draft DCO. On that basis, the Applicant does not consider it would be of benefit to the Examining Authority to submit a revised SoCG for Deadline 4. The Applicant will provide a further update, by way of its response to the Further Written Questions, for Deadline 5 on 9 January 2018.

The Applicant is continuing to discuss outstanding matters relating to the draft DCO with North Yorkshire County Council and Selby District Council and expects to be in a position to submit an updated SoCG with the Local Authorities at Deadline 5.

The Applicant has also provided the latest draft of the draft Section 106 Agreement with Selby District Council and the Yorkshire Wildlife Trust (Document Ref. 9.8) and expects a final version to be

circulated between the parties for signature early in the New Year.

Document Ref. 9.9 provides an update relating to compulsory acquisition and the Applicant's discussions with landowners and Document Ref. 9.10 provides the Applicant's response to the Deadline 3 submissions.

I would be grateful if you could confirm receipt of this email.

Yours sincerely

Geoff Bullock
