Subject: EN010081 - The Eggborough CCGT Project - Applicant's Deadline 8 Submission - Email 1 of 2

Importance: High

Dear Ms Sully,

I write on behalf of the Applicant, Eggborough Power Limited, in respect of Deadline 8 of the Examination into the Eggborough CCGT Project.

Please find enclosed the following documents, which together comprise the Applicant's Deadline 8 submission:

- Document Ref. 1.2 – Application Guide (Rev. 8.0).
- Document Ref. 2.1 – Draft DCO (Rev. 6.0) – This is an updated version of the draft DCO from that submitted at Deadline 6.
- Document Ref. 2.12 – Draft DCO - Comparison to Deadline 6 Version – This shows the changes made to the draft DCO since Deadline 6.
- Document Ref. 2.13 – Explanatory Note on Changes to Draft DCO at Deadline 8 – This explains the changes made to the draft DCO since Deadline 6 and includes the Applicant's response to the ExA's proposed changes to the draft DCO as issued on 19 February 2018.
- Document Ref. 5.10 – Indicative Landscape and Biodiversity Strategy (Rev. 2.0) – This is an updated version that incorporates minor changes following comments received by the Local Authorities' (North Yorkshire County Council and Selby District Council) landscape officer.

- Document Ref. 7.10 – Final agreed Statement of Common Ground with the Marine Management Organisation (Rev. 4.0) – This is the signed copy of the SoCG that was agreed and submitted at Deadline 7.

- Document Ref. 7.11 – Final agreed SoCG with the Yorkshire Wildlife Trust (Rev. 3.0) – This is the signed copy of the SoCG that was agreed and submitted at Deadline 6.

The Application Guide (Document Ref. 1.2) has been updated for Deadline 8. Table 2.1 details the submission version of the document (the version submitted as part of the Application on 30 May 2017), where relevant, in addition to the current version of the document along with the date that the current version was submitted. The documents that have been updated and the new documents submitted for Deadline 8 are highlighted in yellow for ease of reference.

I can also provide the following update on other documents and outstanding matters:

- Biodiversity S.106 – this has now been signed by the Yorkshire Wildlife Trust and is currently with the Applicant for signature, following which it will be sent to Selby District Council for signature.

- Demolition S.106 & Planning Performance Agreement (PPA) extension to cover discharge of requirements – The Local Authorities provided comments on both the draft demolition S.106 and the draft PPA on 27 February which the Applicant is in the process of reviewing. The parties have agreed a significant majority of both agreements, including the substantive obligations in both documents. Finalisation of the draft agreements is expected shortly, followed by signature and completion. The Applicant expects to be in a position to submit the signed agreements and a final agreed SoCG with the Local Authorities by Deadline 9.

- Canal & River Trust – the Applicant will submit a final SoCG with the CRT, detailing matters not agreed by Deadline 9.

- National Grid – agreement has been reached with National Grid and the draft agreements are currently with them for engrossment and signature. The Applicant expects to be able to submit the signed agreements and a final agreed SoCG by Deadline 9.

- Compulsory acquisition – the Applicant is making good progress in terms of entering into agreements with landowners. A compulsory acquisition update and final Compulsory Acquisition Schedule will be submitted by Deadline 9.

I would be grateful if you could confirm receipt of emails 1 and 2.

Yours sincerely

Geoff Bullock
